DEAR FRIENDS,

During this worldwide Covid-19 pandemic, our thoughts and actions are motivated by protecting our families and ourselves. The people of Nicaragua must deal with a government that denies that the virus is a problem. Life, including schools and businesses, must carry on as usual despite the danger to the health and safety of the Nicaraguan people. Our concern for the children is uppermost in our thoughts. We must continue to support them with daily lunches and school supplies.

This reminds us of our friend, Ingrid Polonius, and the hardship and starvation she endured as a young child in post-WWII wartime Germany. Without her “lunch pot” filled daily by the Quakers, she and her siblings would have starved.

In memory of Ingrid’s struggle, we ask for your support of the \$150 Club, through Connecticut Quest for Peace. Your donations help feed Nicaraguan children every school day.

This year we are tempting you with the chance to win a \$300., \$200. or a \$100. gift certificate to Stew Leonard’s, the popular grocery store (actually 7 stores) in our area. Include your email address, or whichever way you would like to be entered, with your donation in the enclosed envelope. On November 1st, Ingrid will pick from her pot, via video on Zoom, the email addresses of the winners.

**We are so grateful
for your continued
support. On behalf
of the children of
Nicaragua and
Connecticut Quest
for Peace,**

thank you.
